

DAIRY NUTRITION AND  
MANAGEMENT CONSULTING, L.L.C.

## Dairy Essay Contest

**Open to graduate students and under-grad seniors pursuing a degree in dairy science, production or other agriculture related field of study.**

**Details:** The project will be a 1-2 page essay (no more than 500 words) regarding your experience in the dairy sector or a detailed description of your current field of study and how that will impact your future contribution to the dairy industry. The essay will be judged based on progressive thinking and expectations for future involvement in our industry.

**Award:** The student submitting the first place essay will be invited to the 2015 DNMC Dairy Summit to be held October 15-18, 2015 in Vail, Colorado. All travel, lodging and meal expenses will be covered. The student will be included in the technical program and present a 15 minute session covering the information from their essay. As well, they will prepare a poster to display their topic. The attendees at the Summit will consist of dairy producers representing 15-20 commercial dairies from five western states. As well, numerous dairy and feed industry representatives from nationally renowned agri-businesses will be in attendance. The two runners up will receive a \$200 award and will be recognized at the event. These two individuals will be expected to send a poster summarizing their essay topic.
